Thank You to my VIP Preferred Customers!

No, this is not necessarily a math question.

Just a little reality check for me...378% Growth Rate for my business...that is astonishing to me!

November 2013 - 9 Preferred Customers

November 2015 - 43 Preferred Customers

As Lori Bush, our President & CEO explained at 2015 SPARK Convention - we are considered a Black Swan of Business. [Watch her talk here!](#)

I began my #RFJourney on August 18, 2013 without even trying the products. My huge blue box arrived at my door on the evening of my 39th birthday.

I opened the box and went through everything and began using the products the very next day and have not looked back. So, in my very first 13 days as a Rodan + Fields Independent Consultant I truly had no idea what I was doing...but I kept talking! I help my Grand Opening on Saturday, August 24, 2013 and a special thanks goes out to my Mom who became my very first customer! I achieved the very first promotion to Executive Consultant in my first month. I ended that first month (ok 13 days in business with 4 new Preferred Customers!)

The most valuable tool in my business, besides the clinically proven results oriented products, is my ability to open my mouth and speak about it with everyone I meet.

TRUTH - Sometimes I'm afraid of what people will say/think about me because I am human.

Though...now taking a look at these numbers I am deciding here and now today to

not worry about what anyone is thinking about me.

By being AFRAID, I was not doing my job by simply informing you all of what Rodan + Fields is, so here it goes:

Rodan + Fields is the new company from the doctors who created ProActiv. Legacy Brand focused on Anti-Aging (multi-billion \$\$ market)
Previously the Best Selling Clinical Brand in Nordstrom (5 years in a row) while distributed via the retail space.

Launched into Network Marketing Distribution Channel on March 1, 2008. Since launching into the distribution channel that uses word of mouth most effectively:

Fastest Growing Premium Skin Care Company
4th Largest Premium Skin Care Company (behind Estee Lauder, Clinique & Lancome)

1 Premium Acne Brand

This is not a fly by night business opportunity. Rodan + Fields will be a legacy brand that will long outlive my lifetime and I will be leaving this global business to my family.

If you are satisfied with where you are in life and in your job, *GREAT*, I'm happy for you!

HOWEVER

If you or someone you know could benefit from great skin care, a sustainable business opportunity with low overhead. Then you **MUST** talk to me before 2015 is over...I want to get you started onto a New You in the New Year!

Happy Thanksgiving! Thanks to you for your loyalty and joindanielle.com!
